

When adjudicating courses for Accident and Sickness Insurance, the Alberta Accreditation Committee is looking for courses that contain the following (although not exhaustive):

Concepts that replace income or benefits due to loss as a result of:

- Bodily injury or Sickness
- Healthcare
- Dental and Preventative care
- Accidental Death
- Activities to Daily Living
- Disability Tax Credit
- CPP Disability Plan

Products such as:

- Disability Insurance
- Critical Illness Insurance
- Group Health Dental Benefits
- Long Term Care Insurance
- Individual Health and Dental Insurance
- Travel Insurance
- Health and Welfare Trusts
- Employee Health Trusts
- Personal Health Spending Accounts

Concepts or Products that protect Businesses, such as:

- Business Overhead Insurance
- Business Loan Protection Disability Insurance
- Buy/Sell Agreements
- Disability Buyout
- Loss of Key Employee
- Share Holder Agreements
